Water sports enthusiasts can look forward to a new facility at Marina Bay, for activities such as kayaking and dragon-boating, by 2014.

The 4,000 sq m Water Venture outlet by the People's Association (PA) held its ground breaking ceremony this morning, with Mr Lim Swee Say, Minister without portfolio in the Prime Minister's Office and Mr Lim Biow Chuan, adviser to the Mountbatten grassroots organisations in attendance.

The new facility will also boast green features such as a roof garden, a rainwater harvesting tank to water the plants, and solar reflective paint on the building's exterior.
